

## South Hampton Roads Update

**A big thank you to Ansell Gardens Apartments in Portsmouth** for the abundant donation of canned and boxed food items and cleaning supplies for our South Bay residents. In addition, AGA fully decorated an apartment for a new resident and has offered to decorate a second apartment. The giving never ends with Ansell Gardens Apartments!

**There are plenty of ways that groups and individuals can get involved with volunteer activities at our South Hampton Roads properties during the holiday season!** For more information, contact VSH volunteer coordinator Esther Robert at 757-394-3077, ext. 307 or [RSVP](#) for an upcoming orientation!
