

Job Opening for Regional Property Manager

Community Housing Partners (CHP) is seeking an experienced Regional Property Manager to oversee our company's multifamily portfolio of affordable apartments in the Yorktown/Williamsburg/Newport News area of Virginia. This is a great career opportunity for an individual with at least 5 years experience in the property management field, including at least two years in a supervisory role. Ideal candidate must possess excellent communication, time management, computer and problem solving skills. This position also requires an individual with an exceptional ability to supervise employees, interact with residents and work with state and local officials. The right candidate should have experience in budgeting, asset management, compliance monitoring and reporting to funders and partners. Some overnight and frequent daytime travel is required. This position reports directly to the Vice President of Housing Management. We offer a competitive salary, great benefits and a solid future for the right candidate.

Email cover letter, resume and salary requirements to Susan Sisk at ssisk@chpc2.org

CHP is a regional, not-for-profit housing and community development corporation serving communities in Virginia, the Carolinas and Florida. Our primary business is the preservation and construction of green, sustainable, affordable single- and multifamily housing. We presently own and manage over 4,600 units of housing in the southeast and employ over 250 staff members. CHP has in-house development, architecture, construction, energy services, and housing management departments, many of which have won national awards for design, environmental sustainability, and excellence in affordable housing. CHP's staff and management are energetic and entrepreneurial, and our culture rewards teamwork, dedication, and service to others. CHP is an Equal Opportunity Employer seeking applicants who can bring diverse viewpoints, experience, talents, and culture to promote our organization's mission of creating affordable, sustainable housing opportunities in the communities we serve.
