## Weatherization Trainer Position Available at NRCERT in Christiansburg, VA

### **NRCERT Weatherization Trainer**

Community Housing Partners (CHP) is seeking a highly skilled and motivated individual to join our team as a Weatherization Contract Trainer for **New River Center for Energy Research and Training, LLC (NRCERT)**. NRCERT is a wholly owned subsidiary of CHP, a regional, not-for-profit housing and community development corporation serving communities in the southeast.  
<http://communityhousingpartners.org/>

**NRCERT**, established in 1999, provides training in state-of-the-art residential energy conservation techniques, home performance testing, and heating and cooling equipment diagnostics, repair and replacement. Over the past decade, NRCERT has trained over 25,000 participants across 30 States and Canada. Our expert trainers are certified by RESNET, EarthCraft, and the Building Performance Institute and provide training to weatherization workers and contractors involved in the fields of energy auditing, energy efficiency retrofit and green construction.

**Position Description:** CHP is seeking a motivated, talented individual with the specific education, experience and skills to serve as a trainer for NRCERT. Primary duties include both classroom and field training in weatherization consistent with DOE approved weatherization parameters. Trainers may assist with the development of training materials, research of Building Science and Weatherization best practices and recommendations of appropriate training design.

This position is based in Christiansburg, VA and is available immediately. It is full-time with competitive salary and generous benefits including health, dental, life, disability, 403(b) with matching, generous paid time off, and fantastic work environment in a growing company.

#### **Education and Experience:**

Must have minimum of a High School degree or GED required, BPI Building Analyst, Building Envelope, Heating and Manufactured Housing Certifications preferred, Background and Experience in Weatherization is preferred, Minimum 2 years classroom and field training experience preferred.

**Application Process:** Apply by sending a cover letter, resume and salary requirements to Phil Hull, NRCERT Director of Training, at [phull@chpc2.org](mailto:phull@chpc2.org) by no later than Monday, January 30<sup>th</sup>.

Funding for this project is provided through a U.S. Department of Energy grant via the American Recovery and Reinvestment Act (ARRA).

Community Housing Partners is an Equal Opportunity Employer seeking applicants who can bring diverse viewpoints, experience, talents, and culture to promote our organization's mission of creating affordable, sustainable housing opportunities in the communities we serve.
