## **AMHERST CELEBRATES REHABILITATED AFFORDABLE HOUSING COMMUNITY**

### **Join Us for a Dedication Ceremony**

**Amherst, Virginia** – On Monday, June 22 at 11 a.m. Community Housing Partners (CHP) will host a dedication ceremony at the Rutledge Hill Apartments community center to celebrate the grand re-opening of Rutledge Hill, a newly refurbished, affordable multifamily housing community located at 122 Dulwich Drive.

Originally constructed in 1982, the Rutledge Hill Apartments comprise 48 one, two, and three-bedroom units, which were acquired and rehabilitated by CHP to preserve this affordable housing stock for the community and residents of Amherst.

In keeping with CHP's mission to create affordable, green, sustainable housing opportunities and services, the extensive renovations of the existing property included the use of environmentally-responsible building practices and design features, earning Rutledge Hill an Earth Craft™ Multifamily Renovation certification. "Green" elements incorporated into the project include energy-efficient mechanical systems, appliances, and lighting; EnergyStar windows and refrigerators; low-VOC carpets and finishes; construction site waste recycling of cardboard, metals, and old appliances; and native landscaping. During the year-long rehab project, CHP also installed all-new low-flow bathroom fixtures, kitchen cabinets, flooring, and roofing; and built a new community room.

Remarks will be given by Byron Waters, Housing Program Director, USDA – Rural Development; Cara Wallo, Tax Credit Allocation Officer, Virginia Housing Development
