Sponsor Registration Information

The 2018 New Jersey Weatherization & Home Energy Assistance Training Conference is an opportunity for New Jersey Weatherization Assistance Program (WAP) and Home Energy Assistance (HEA) professionals to come together to receive updates, training, and feedback on policies and standards that help them provide invaluable services to their clients. Engaging technical and program related sessions will be provided by local and nationally recognized instructors. In addition to the informative sessions at the 2018 conference, the Conference Carnival will be featured as a fun team building exercise with games and prizes for attendees.
