What is Weatherization?

Weatherization reduces energy costs for families by improving the efficiency of their home or apartment, all at no cost to the household. Improvements are based on a home energy audit and could include:

Installation of efficiency measures like LEDs and faucet aerators

Insulation, air sealing, and measures to reduce heat loss

Repair/replacement of inefficient heating or cooling systems

Remedy of unsafe conditions like carbon monoxide, fire hazards, and more

Indoor air quality checks and improvements

Home Improvements are based on a site-specific energy audit, availability of funds, and program guidelines.

We serve over 40 localities in Virginia including Northern, Central, and Southern Virginia, as well as the New River Valley.

CHP Energy Solutions Weatherization Assistance Program Selection Procedures for Prioritizing Services

CHP Energy Solutions, unless otherwise prohibited by its funding sources, considers the following situations as priority:

- Energy related crisis
- Disabled individual in the household
- A child 17 or younger in the household
- A person 60 or older in the household
- Length of time an approved application is on the waiting list

This policy is in accordance with the current guidance from the Department of Housing and Community Development. Prioritization procedures will follow the policy that is in effect at the time of an application's approval.

Checklist & Prioritization
Revised July 2023

Application for Services

Agreement by Owner and/or Tenant

The undersigned as Owner/Landlord hereby certifies that he/she is the owner of the property located at:

Street Address, PO Box, locality

and does hereby authorize the Virginia Department of Housing and Community Development (DHCD) and Community Housing Partners (Local Administrator) to make repairs and improvements as necessary to the said property for the purpose of weatherization.

Owner/landlord and tenant hereby releases and agrees to indemnify and hold harmless DHCD and Local Administrator, its staff and volunteer assistance, from any liability in conjunction with the performance of the repairs and improvements.

Owner/landlord and tenant authorizes DHCD and Local Administrator, if either so desires, to receive statements from the fuel supplier of the property as to the quantity of the fuel that has been used at the property in each of the past three (3) years and for the three (3) years subsequent to the performance of the weatherization work. The information would be used to determine the cost effectiveness of the weatherization program.

Owner/landlord and tenant agrees to provide DHCD and Local Administrator access to the property at reasonable times for the purpose of inspecting the work. Owner/landlord agrees to not raise the rent for a two year time period or termination of lease without reason demonstrably related to matters other than the weatherization assistance provided on behalf of the tenant.

Owner/landlord and tenant certifies that he/she intends to occupy the property for at least one (1) year after the date of weatherization work is completed.

Owner Signature: _____ Date: _____

Second Owner Signature (If 2nd name on the Deed): _____ Date: _____

Landlord(s) Signature: _____ Date: _____

Tenant Signature: _____ Date: _____
